

# Questions and answers about **DENTAL CARE COSTS**

## **How much will my dental care cost me?**

Many services, such as cleanings, exams and x-rays, are provided at no charge. For other types of dental treatment, you are responsible for sharing the cost. If your dentist decides you need additional services, the dental office will provide a cost estimate before your treatment.

## **What types of payment are accepted?**

KP Dental offices accept checks, cash, and credit card payments at the time of service.

## **What if I can't afford the cost?**

If your KP dentist says you need treatment that costs more than you can afford, you can finance the amount you owe. KP Dental has a program through Citibank that allows you to pay over time if you qualify. There are 3 types of no interest plans:

- \$250 or more for 6 months
- \$500 or more for 12 months
- \$2500 or more for 24 months (orthodontic treatment only)
