Keep in mind that some VSP clinics have non-VSP providers, so it is important to also confirm the provider is in network with VSP.

You can submit a Lasik claim in three easy steps.

- 1) Get an itemized receipt from your provider.
- 2) Download and fill out Part 1 of a [LASIK claim form](#).
- 3) Submit the claim by fax or mail. And you can check your claims status in your member portal.
